

Letting Go...

Finding the parts of ourselves that we want to nourish and develop while letting go of what no longer serves us, frees us to be fully ourselves.

July 19 - August 2, 2018

Come join Equine Gestalt Coaches and life long horse women June Voldseth and Linda Bruce at **Bonanza Creek Ranch in Martinsdale, Montana**. You will learn, grow, let go and find connection in the presence of a horse

We will begin Sunday evening with a scrumptious meal and time to get to know each other. The following days we will spend time connecting on the ground with our horses and each other and then move into the saddle for riding. You will have the opportunity to ride every day except Sunday evening.
